Product description

Cotton Shower Gel 250ml

Gentle shower gel removes dirtiness from epidermis remaining fresh and clean skin. Cotton oil heals irritations and moisturizes.

Delicate washing gel removes impurities from the surface of the epidermis, leaving the skin clean and fresh after washing. It owes its unique properties to cottonseed oil, which is recommended for the care of demanding skin, including dry and sensitive skin. It has a deeply regenerating and moisturizing effect, tones and softens the skin, soothes irritations. The oil is rich in vitamin E, which is an excellent antioxidant to help fight the first signs of aging. The beneficial effects of cottonseed oil have been enriched with allantoin, moisturizing betaine, vitamin B3, hyaluronic acid and D-Panthenol, making the gel a real hit among cleansing cosmetics with moisturizing properties. Leaves a delicate, relaxing fragrance on the skin.
